

Post-graduate seminar on HVAC 2019 **Registration deadline 2019-04-30**

You are cordially invited to participate in the ENE- 58.5152 post-graduate seminar (2-5 cr) on HVAC to be held **on 10-13 of June at Aalto University, Espoo, Finland.**

The purpose of the international seminar is to learn together and discuss on the methods for advanced air distribution systems in energy efficient building.

Participants

The seminar will be for the doctoral and master level students and post-doctoral researchers and also consulting engineers who work on the field. Especially students who recently started their doctoral studies are welcome to discuss on their research.

Themes

- Human health and perception of air movement
- Air distribution methods
- Novel air distribution methods
- Ventilation and energy efficiency

Lecturers

- Prof. Mats Sandberg, University of Gävle, Gävle, Sweden
- Prof. Arsen Melikov, Technical University of Denmark, Lyngby, Denmark
- Prof. Angui Li, Xi'an University of Architecture and Technology, Xi'an, China
- Prof. Guangyu Cao, Norwegian University of Science and Technology, Trondheim, Norway
- Prof. Peter V. Nielsen, Aalborg University, Aalborg, Denmark
- Prof. Risto Kosonen, Aalto University, Espoo, Finland
- D.Sc. (Tech.) Panu Mustakallio, Halton Oy, Kausala, Finland

Venue

Aalto University, Main building, Otakaari 1, room 101, Espoo, Finland

Registration (free of charge)

The registration by e-mail to sami.lestinen@aalto.fi no later than 30.4.2019.
